your neighbor will notice it if you are silly and "cain it" but not otherwise.

i would like to think that men are more self-deprecating than women, but i don't think it would be as successful if it were making fun of women buying bad gifts."

i think it's a shame that it's not possible to simply say "i don't drink alcohol" - end of story

the decision to zero rate data usage comes in the backdrop of a reduction of the frontrow subscription rates to r119.

in addition, i'd used the trash box to throw stuff away that wasn't junk (the trash box was handy in case i changed my mind), and now that's gone
